EXPERIENCE

Substance Global, London — *Junior Publicist - Entertainment PR*

May 2023 - Feb 2024

- Played a pivotal role in the success of theatrical and home entertainment campaigns for Paramount and Disney, including the theatrical releases of Mission: Impossible - Dead Reckoning Part One, Mean Girls and Bob Marley: One Love.
- Nurtured and maintained strong relationships with Paramount, ensuring open communication and delivering comprehensive coverage reports and timely updates with meticulous attention to detail.
- Utilized logistical skills to efficiently coordinate and execute mailer drops to press and media contacts.
- Demonstrated outstanding communication skills and professionalism while providing support at events, including the Bob Marley: One Love activation at Notting Hill Carnival and prestigious red carpet events like The End We Start From gala screening.
- Cultivated strong relationships with press and media through effective pitches, resulting in secured coverage for releases.

- Proficiently used zkipster to manage guest check-ins at media screenings and produced detailed screening reports.
- Developed skills in Mailchimp to distribute press blasts and compiled weekly entertainment PR roundups, effectively disseminating information across the company.
- Showcased exceptional writing abilities by crafting persuasive pitch emails, compelling press releases, and advanced event documents, while also writing feature articles for Home Entertainment campaigns published on reputable sites such as The Hollywood News and Entertainment Focus.

Premier PR, London — *Temporary Account Executive - Stunts*

November 2022 - April 2023

- Secured print, online, and broadcast coverage for multiple campaigns, including a full-page print piece in Metro for Car SOS.
- Assisted with media sell-ins, managed press previews, and secured coverage for the launch of the new David Hockney exhibition at Lightroom. The successful campaign led to an extension of the show.
- Created detailed wrap reports for campaigns such as the Crisis sculpture launch, providing insightful feedback to the client.
- Showcased excellent writing skills in drafting press releases, pitch emails, and coverage updates to Disney and Lightroom.
- Utilized Gorkana and Roxhill to build targeted press lists and influencer lists for effective outreach.
- Created well-designed ideation decks for brainstorming client briefs which were then turned into effective pitches.
- Demonstrated persistence when pitching to journalists and confidently chased leads over the telephone.
- Coordinated media check-ins at BAFTA's, issuing accreditation and red carpet passes to journalists and photographers.
- Provided financial administrative support by raising purchase orders and creating invoices for clients and services.
- Used design and social media skills to plan, manage, and create engaging content for the Stunts Team Instagram.

Premier PR, London — *Assistant Publicist*

September 2022 - October 2022

- Supported the Filmed Entertainment Team during the 66th edition of the BFI London Film Festival.
- Successfully managed press screening RSVPs, gathered reactions, and updated reports for theatrical and streaming titles including Living, Allelujah, and The Banshees of Inisherin.
- Tracked and logged print, online, and social media coverage and created coverage updates for clients including Amazon Prime.
- Provided PR support at events such as the Amsterdam premiere at Odeon Leicester Square and BFI London Film Festival galas.
- Managed media at the Living Junket with Bill Nighy and coordinated transport drop-offs and pickups for Lena Dunham and Bella Ramsey at the Bafta Q&A session for Catherine Called Birdy.
- Carried out research on science and space podcasts and websites to create a targeted media list for the film Good Night Oppy.

Alfred London, London — *PR Intern*

August 2022 - September 2022

- Supported the PR team across client accounts, including Wizarding World, Sainsbury's (Tu), Oatly, and WB.
- Identified and shared relevant industry news and trends with Tu, helping them to stay current and develop their brand.
- Used ResponseSource and Roxhill to find product placement opportunities for Wizarding World's Back To Hogwarts range and compiled earned and gifted media lists for outreach.
- Captured paid and organic social content and press coverage and interpreted data for client reports.

NHS Shared Business Services, Southampton – Pensions Officer

March 2020 - July 2022

- Developed strong administration skills by issuing Estimates to NHS employees, running pay reports, and submitting refunds.
- Paid attention to detail when managing large databases of sensitive employee data across Excel.
- Showcased problem-solving and empathy while assisting anxious NHS employees with retirement form completion.
- Prioritised workload to meet KPIs while supporting colleagues with their workload and up-skilling team members.
- Awarded a 'Star Award' as I was recognised for upskilling over a short period.

Spinnup, Remote – Freelance Content Writer

January 2018 - November 2021

- Used my knowledge and passion for new musical talent to write content to support the development of global unsigned artists.
- Wrote introducing posts that helped the discovery of upcoming global artists, including TikTok star MegaGoneFree.
- Adhered to the Spinnup tone of voice while implementing SEO guidelines.
